

# BIKE & ROLL TO SCHOOL

## More Details about our event:

**All students are encouraged to participate.** We understand not all families have the option not to drive to school. No matter how a student arrives at school this day consider registering for the event to automatically enter them into the drawing for prizes and encourage your student to stop by the table before and after school for the following:

- Snacks and refreshments before and after school
- Decorate your own helmet station (even if you didn't wear it to school, bring it with you to decorate for later)
- Stickers, participation certificates and other give aways
- Enter the drawing for even more prizes by pledging to have a conversation with family about replacing one car trip with alternative locomotion one time this week. This could include a walk, bike ride, public transportation, etc.

**Tune-up your bike.** If you or your student plans to ride your bike, we encourage you to make sure it is in good working order prior to the morning of Wednesday, May 4<sup>th</sup>. Volunteers will be on site the day of the event to assist with small adjustments like air pressure, tightening up bolts, seat height, etc. However, if you would like a more substantial tune up, bring your bike to **Hardt Family Cyclery** and mention **PALMER** for **\$10 off your tune-up**.

**Volunteers will be on site by 6:30am.** If your child receives before or after care through the YMCA they will still have the opportunity to participate in the event. Coffee for parents will be available at 8:00am  
Drawing for prizes will happen at 4:30pm (you do not need to be present to win)

**Thank you to our wonderful volunteers and sponsors** who have donated time, supplies and prizes including:

**Hardt Family Cyclery**  
Sprouts

Em's Ice Cream  
Home Depot

**Torpedo Coffee**  
Party City

## \$10 off Bike Tune-Up

Hardt Family Cyclery | (720) 255-1603 | 10255 E 25<sup>th</sup> Ave Unit A1 | [hardtfamilycyclery.com](http://hardtfamilycyclery.com)

# BIKE & ROLL TO SCHOOL

## Palmer Elementary School is participating in Bike to School Day on Wednesday, May 4th, 2022

Join children and adults around the world to celebrate  
the benefits of walking and bicycling.

### About our event:

#### May 4<sup>th</sup> is National Ride and Roll to School Day

Palmer Elementary PTA is encouraging families to participate by leaving their personal car at home and instead find an alternative method to come to school. *Even if you can't bike, walk, or roll to school, consider a carpool with a friend or neighbor to reduce personal car trips.*

**Participants will receive** refreshments, snacks and giveaways when they arrive at school and before heading home. Registrants will be automatically entered into a drawing for even more prizes!

**Safety is always first**, so don't forget your helmet and remember a bike lock if you plan to leave your bike or scooter at school during the day.

If you are looking for a safe route to school or a group to ride with, reach out to Corinne DePersis who can help build you a custom route and connect you with your neighbors who also plan to participate.

Call or text 518.588.3898/Corinne.DePersis@gmail.com

**Register Today!**

**Scan the QR code above or visit:**
