**About the Class:** The Read 'n' Swing program is a simple concept that works. Students read engaging kid-friendly books with staff and volunteers before applying that knowledge on the course. Our student-to-instructor ratios never exceed a two-to-one ratio throughout this course. Students spend quality time reading before participating in a kid's golf experience.

By encouraging students to read outside of a traditional classroom environment (on the course), they learn to associate academics with their lives outside of school. Our caring and engaging mentors encourage students to read and find inspiration in the materials, so that students can improve and get better at reading.

**About the Class:** Book Club will be a time to gather to discuss a book in greater detail-- we will focus on plot nuances, style of writing, language choice, character traits, etc. A small group affords us the opportunity to sometimes discuss as a whole group or as partners. Through our discussion, I hope to foster a deeper love of reading as we go beyond the written words and interpret hidden meanings perhaps intended by the author or discoveries/connections made by our peers. Our first book is: Max in the House of Spies by Adam Gidwitz. Members will be expected to purchase their own copy of the book (or reserve it at their library) and complete their assigned reading prior to our meeting so they are ready to dig in!

An instant *New York Times* bestseller!

"Max in the House of Spies is everything you could hope for in a book," -R. J. Palacio, #1 *New York Times* bestselling author of *Wonder*, *White Bird*, and *Pony*

"Espionage! Secrets! Suspense! If you've ever dreamed of being a spy, this book is for you." -Alan Gratz, #1 *New York Times* bestselling author of *Refugee* and *Projekt 1065*

Max Bretzfeld doesn't want to move to London.

Leaving home is hard and Max is alone for the first time in his life. But not for long. Max is surprised to discover that he's been joined by two unexpected traveling companions, one on each shoulder, a kobold and a dybbuk named Berg and Stein.

Germany is becoming more and more dangerous for Jewish families, but Max is determined to find a way back home, and back to his parents. He has a plan to return to Berlin. It merely involves accomplishing the impossible: becoming a British spy.

The first book in a duology, *Max in the House of Spies* is a thought-provoking World War II story as only acclaimed storyteller Adam Gidwitz can tell it—fast-paced and hilarious, with a dash of magic and a lot of heart.
