HOPE

In case you are unfamiliar with HOPE here is a little bit about it: This is an event that we put on every year around the holidays where we invite families from around the Denver area to come to our campus and get free clothes, toys, a warm meal, optional flu vaccines, school supplies, personal care items, health resources and more! In addition, we have face painting, bouncy houses, and other fun activities to make this a fun and exciting day for families. Transportation to the event is available upon request and the event is translated in multiple languages. This is the 30th year we have done this event and this year the event will take place on December 9th from 9am - 2pm at Colorado Academy!
