Permission to Walk To and From School 2024-2025

Parents,

While we recommend that all students are picked up by their parents each day, we do understand that some parents would prefer that their students walk to school or walk home after school. If you would like your child(ren) to walk to and from school, please fill out the form below and return it to the main office for our files.

I, _____, give my permission for

Students,

Walking to and from school is a big responsibility. You must follow the rules of both the school and the rules as a pedestrian. You may start walking when the dismissal bell rings at 3:05 p.m. You are expected to leave the playground immediately and walk home.

As a reminder, you are never to walk on the road. You are to walk on the sidewalk or on the grass a minimum of 15-20 feet from the road. You may only cross the road at intersections. There are no crosswalks or crossing guards to assist you, so take special care to look both ways several times before crossing. Remember that the simple fact that you can see a vehicle does not guarantee that you are visible to the driver of a vehicle. Remember that any inappropriate behavior exhibited while walking home can result in disciplinary action at school. Please be responsible and careful!

I have read the paragraph above and agree to be responsible and careful.
